

Sainte-Anne school Plougastel-Daoulas FRANCE

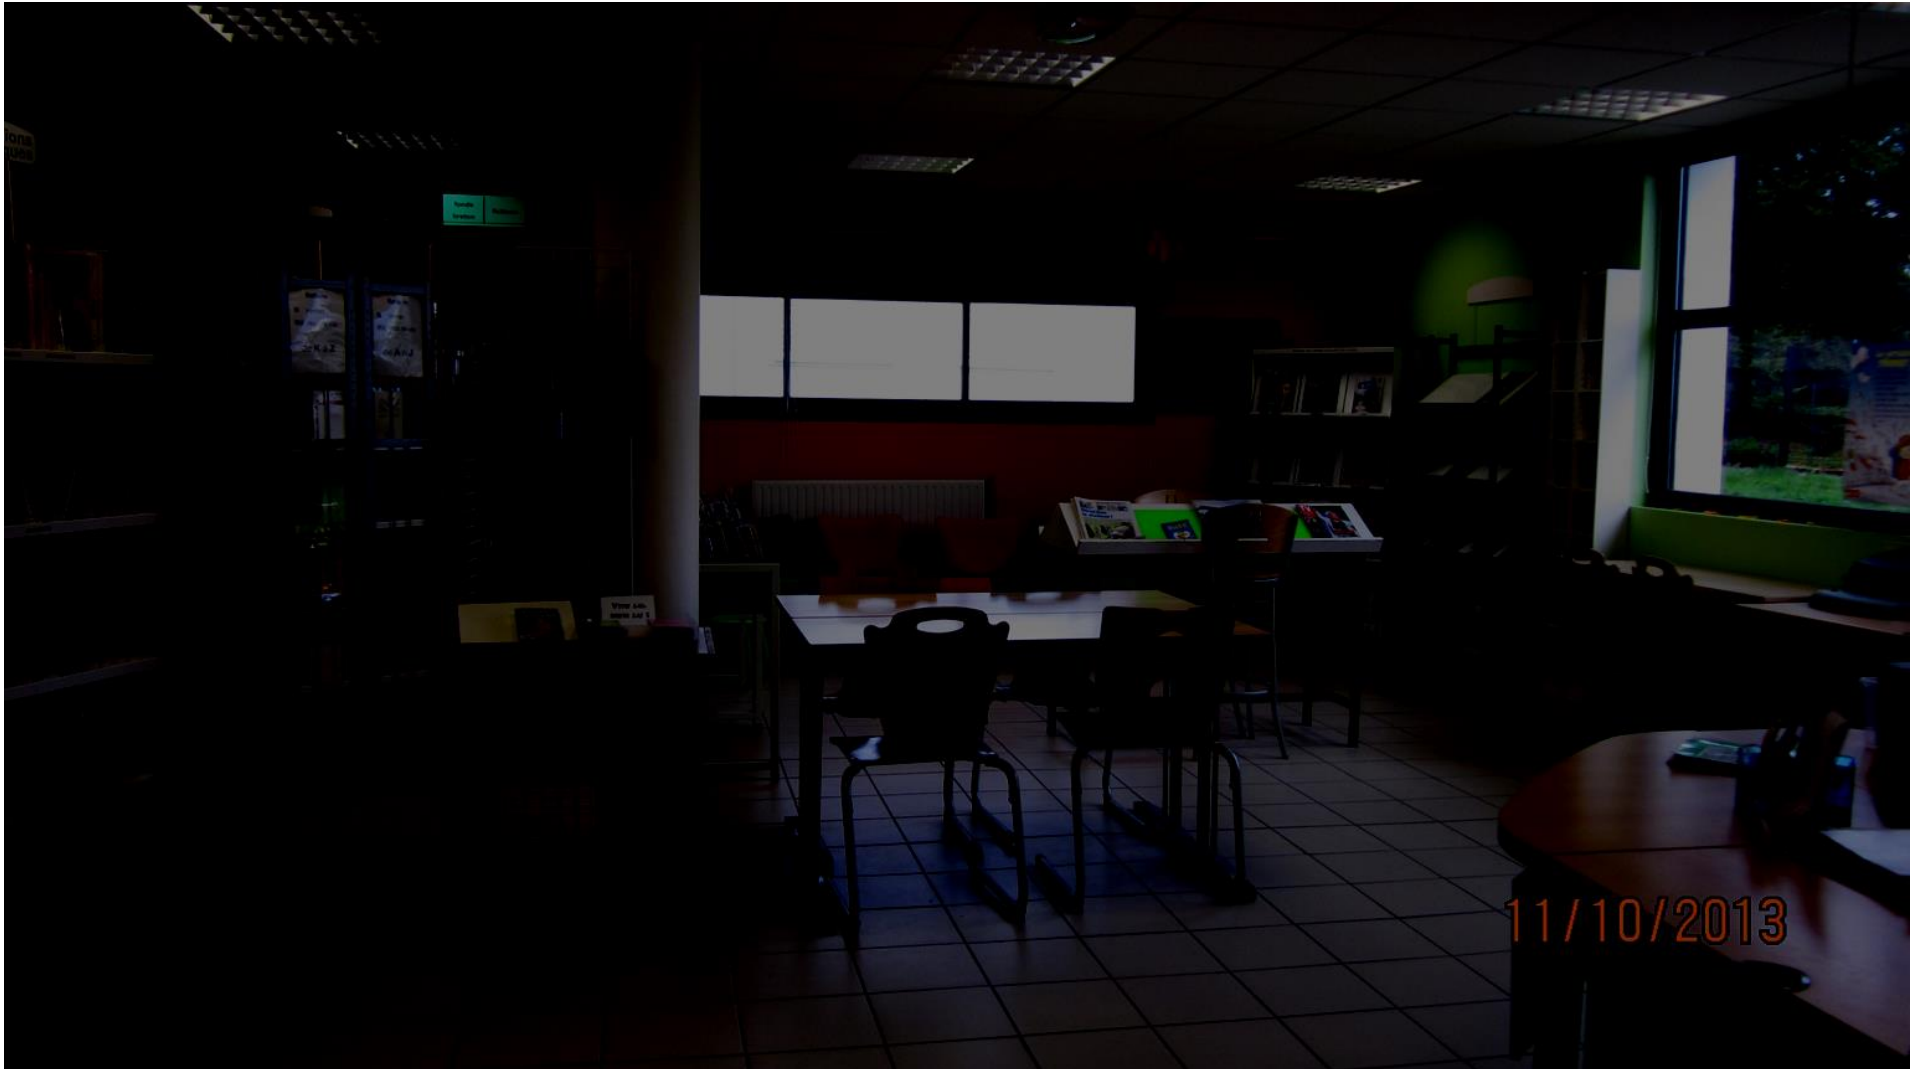

The lockers that the pupils in year 7 can use to store their school things

The main entrance to the Head's and the secretary's offices

The library

It's a very pleasant place to read,
work and surf the net.

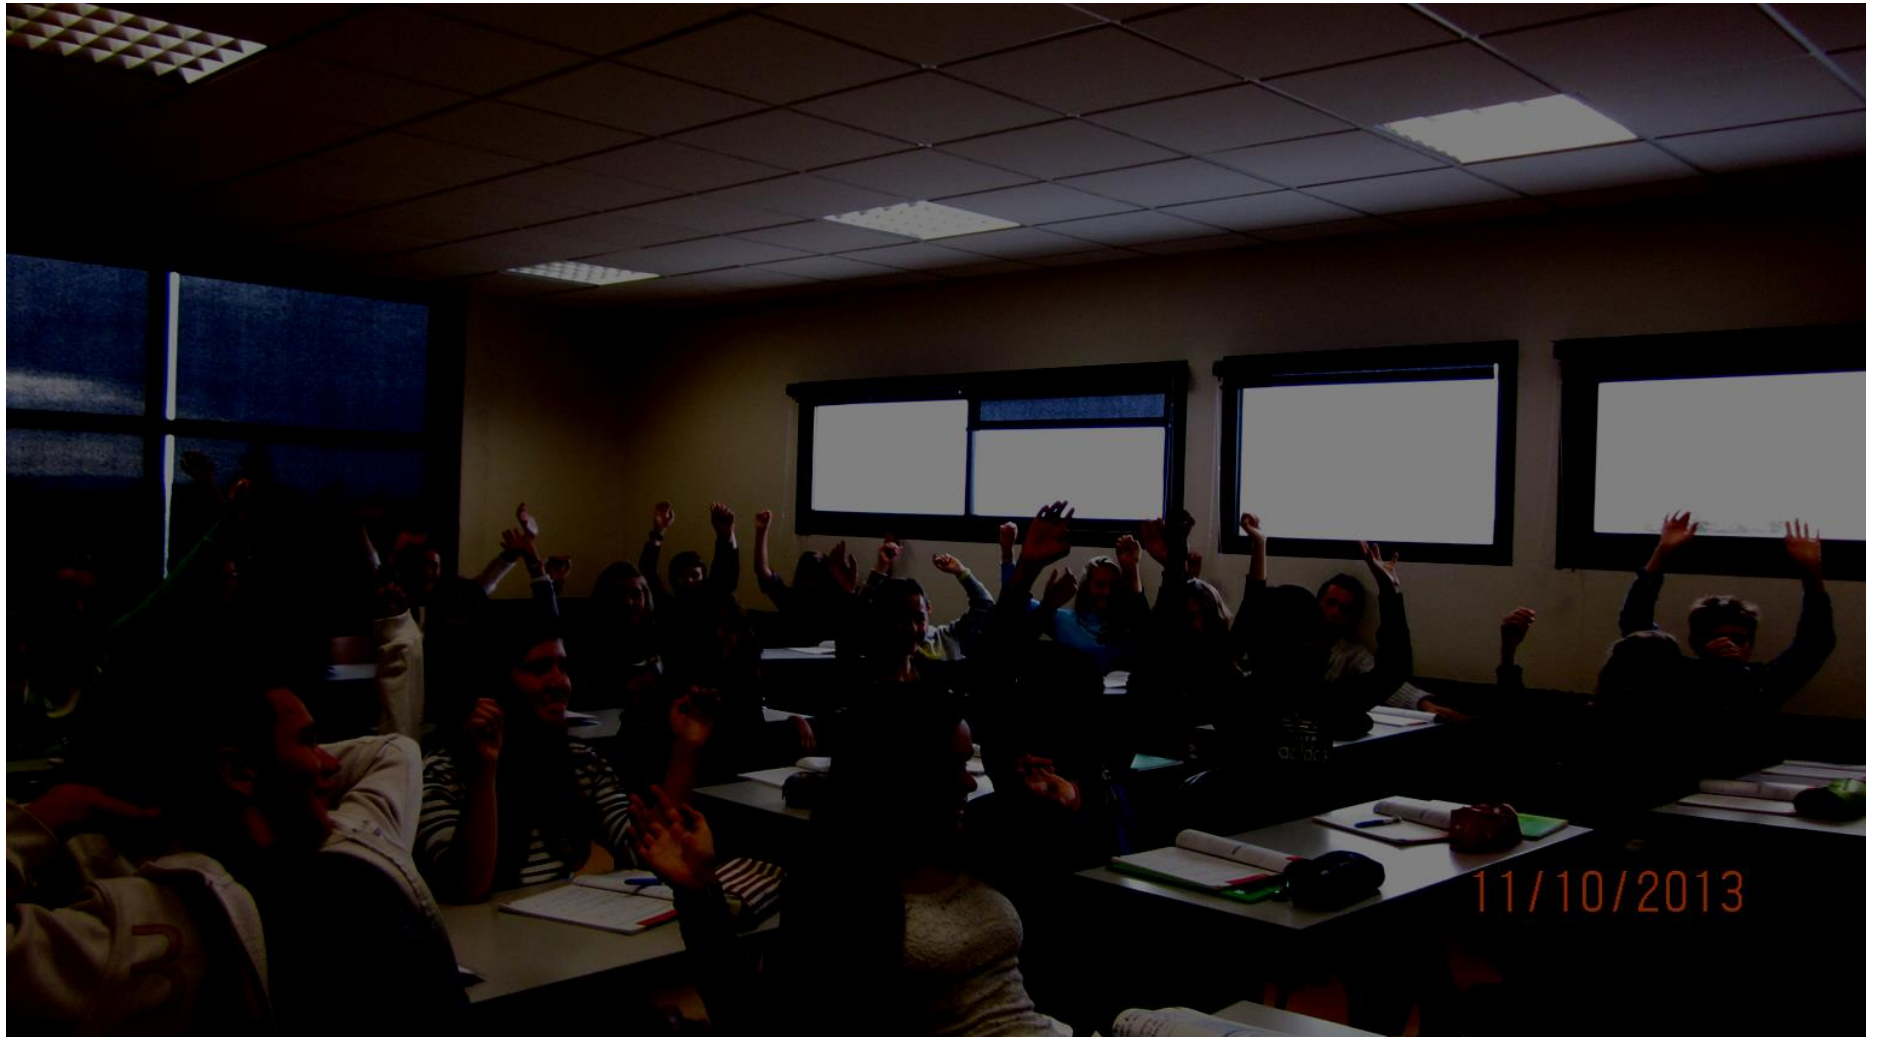

11/10/2013

The staircase to the classrooms

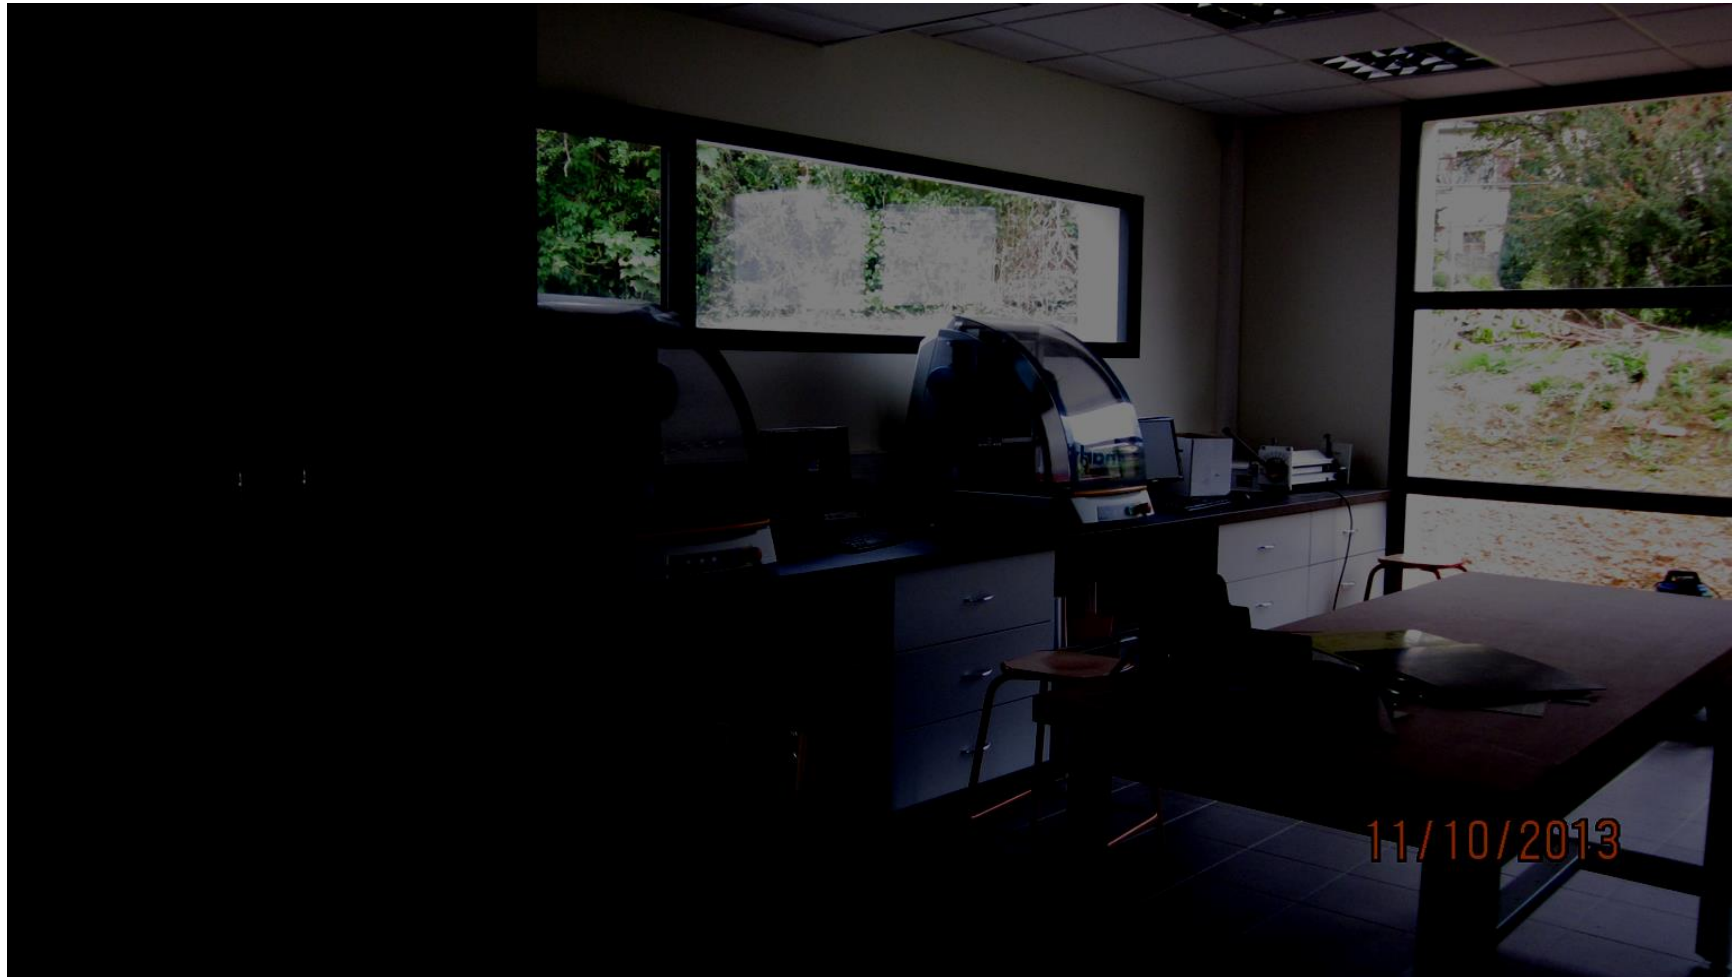

Very enthusiastic pupils !

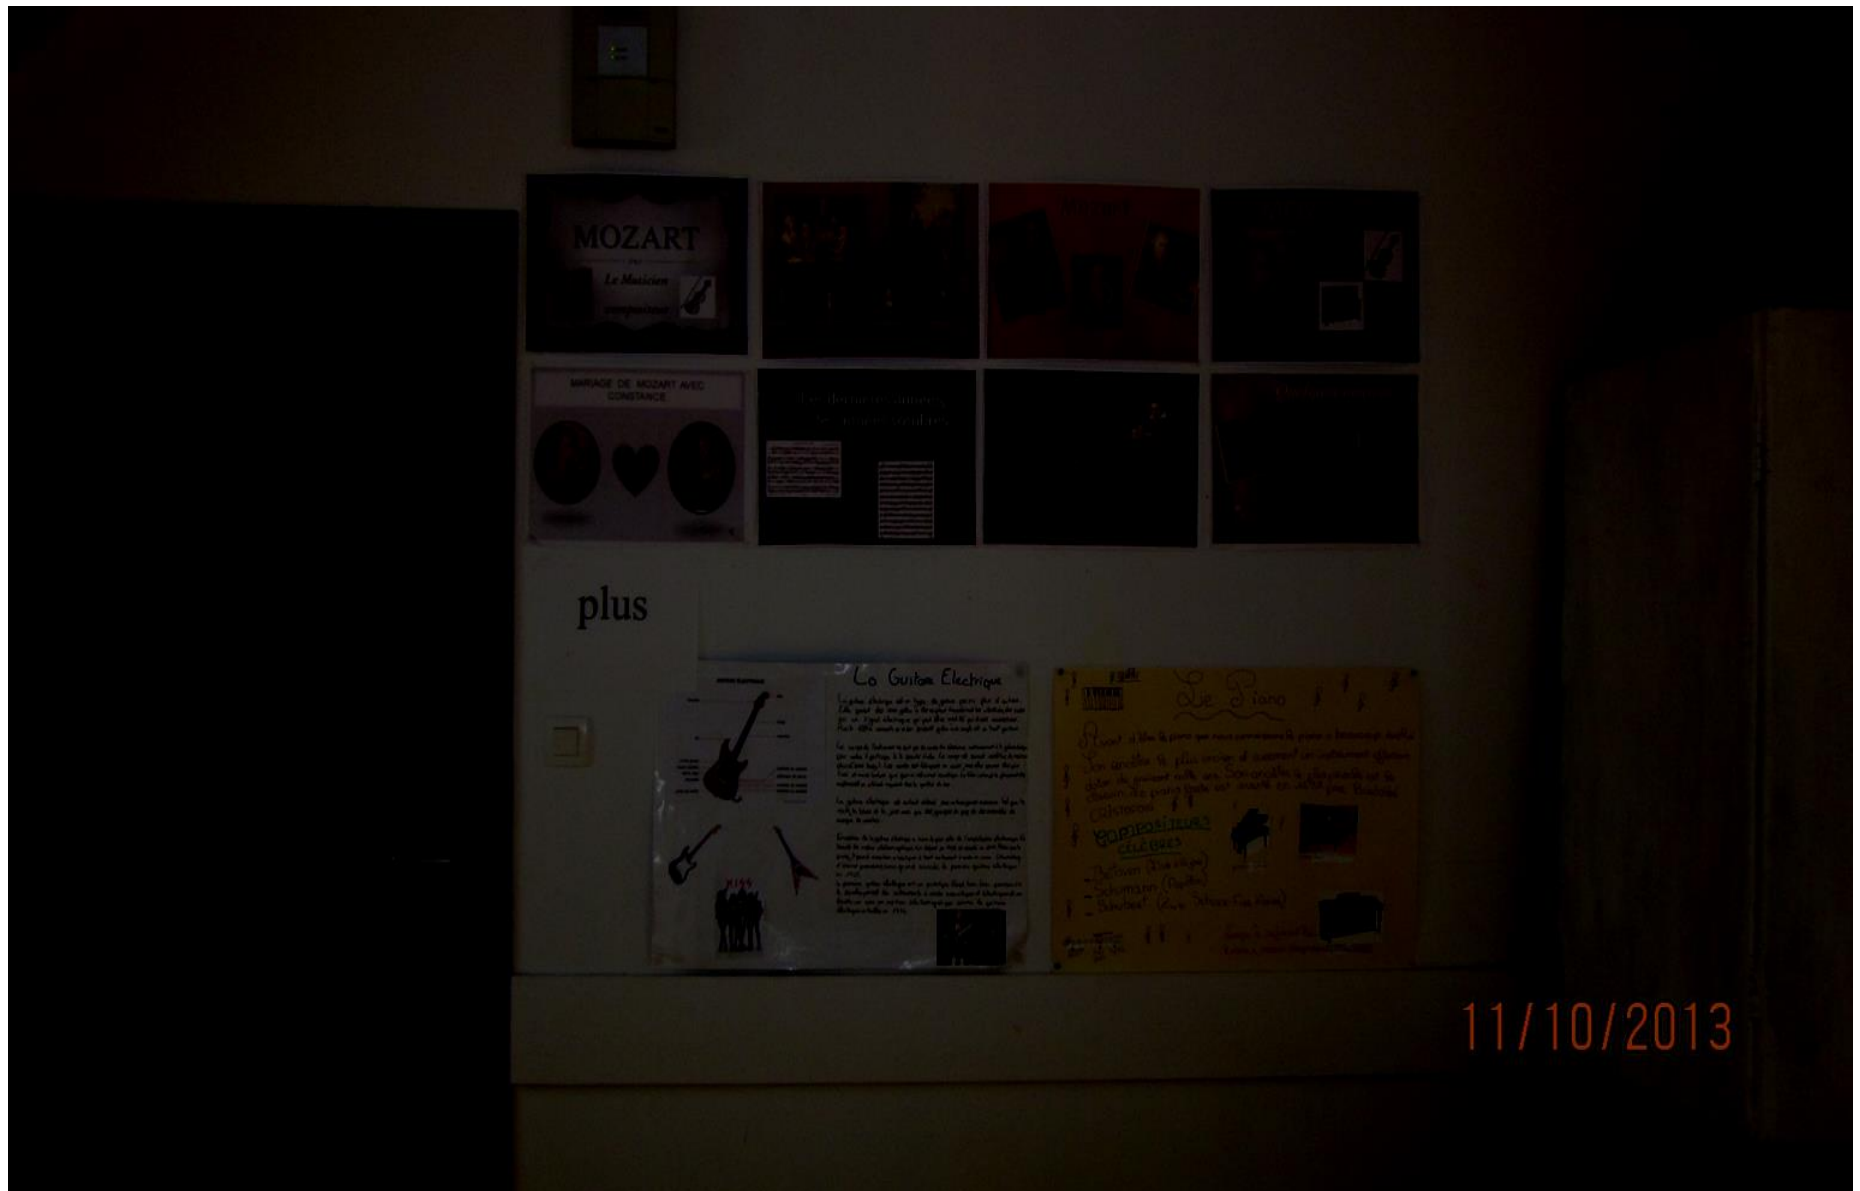

The technology room where there are 27 computers

Professional machines used by the pupils to create useful objects

The music room

Welcome to the third floor !

12

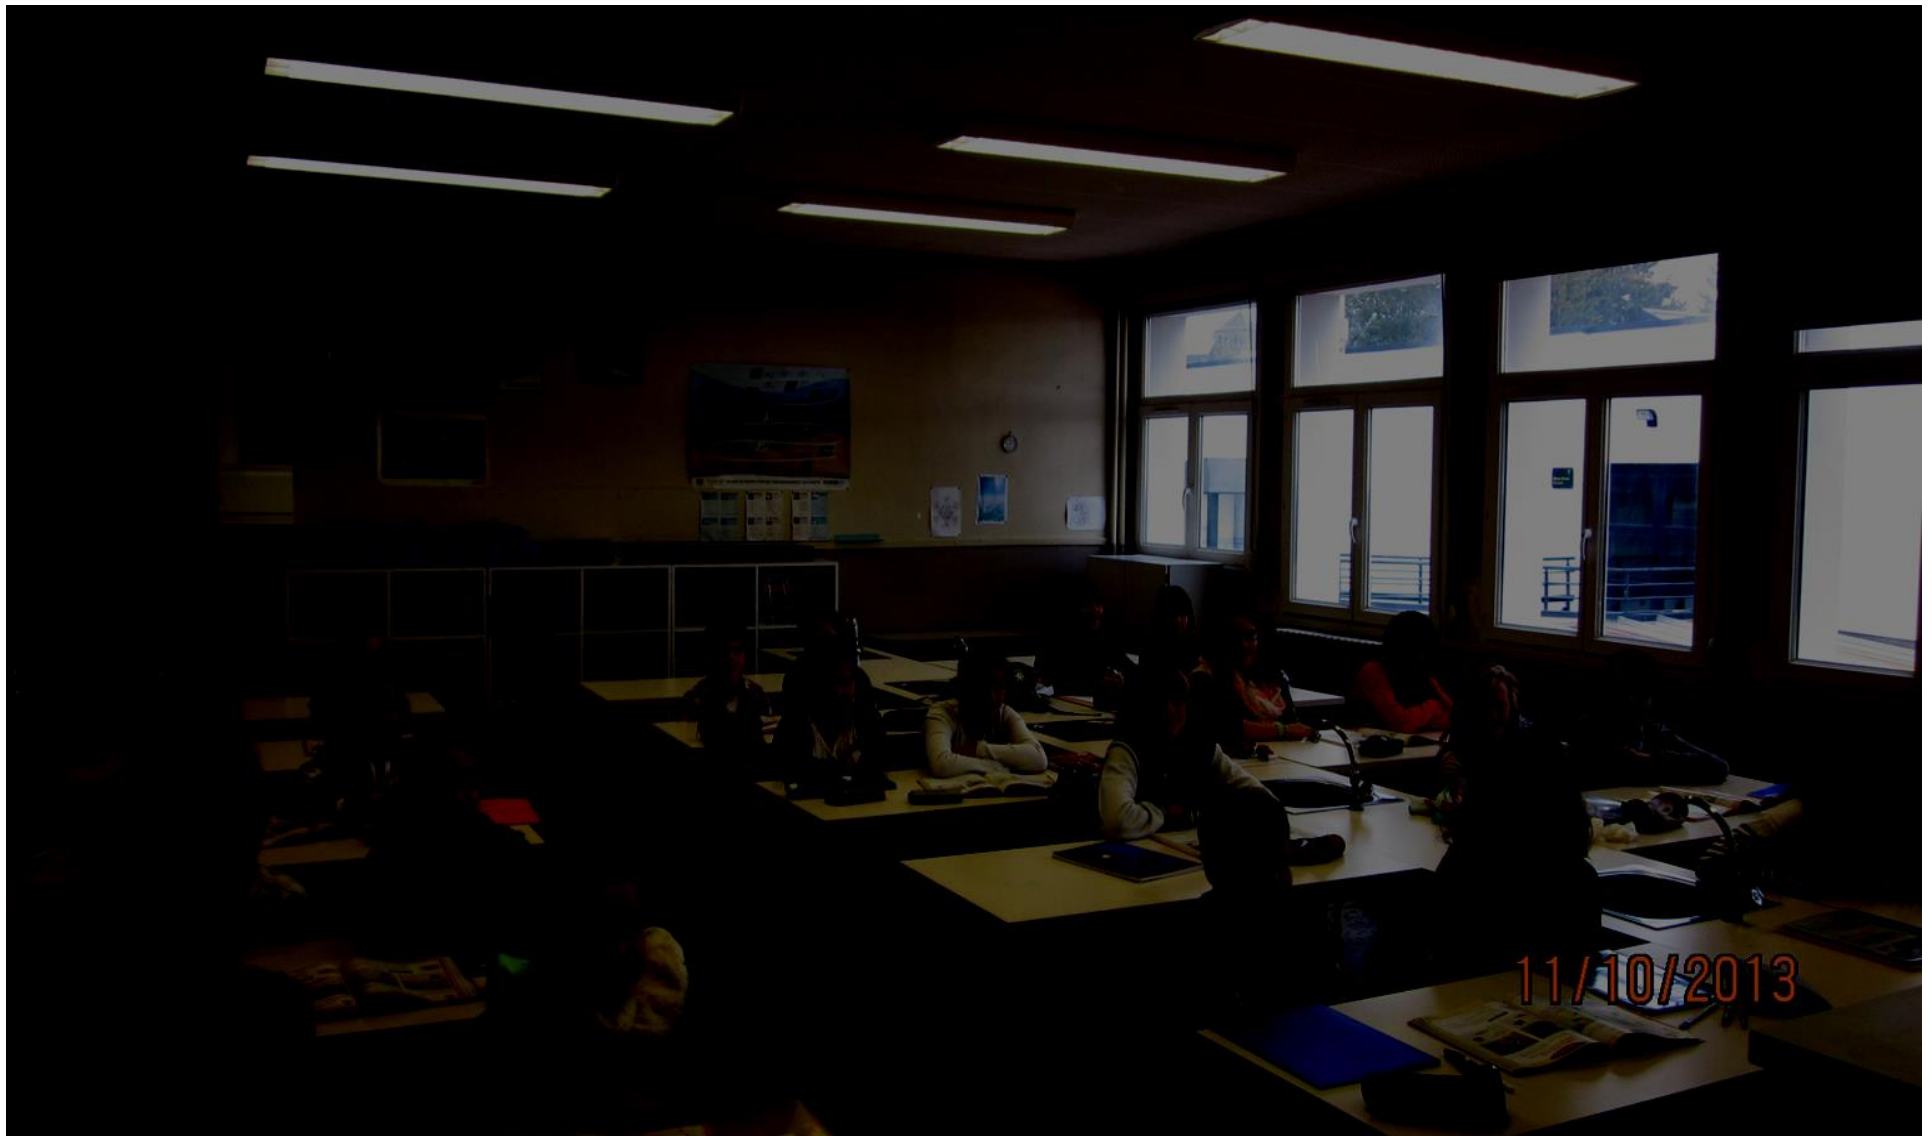

Pupils can play an instrument during lunch break

The art room

The Physics laboratory
